

Creating moments of discovery that inspire curiosity, exploration, and respect for STEAM and the natural world

**2024-2025 Business Partnership Opportunities**

## 2024-2025 Business Partnership Opportunities

We are pleased to present partner opportunities for year-long recognition and acknowledgment at two large fundraising events in 2024: *Flutter: Celebrating Our Pollinators, September 6th, 2024* will be an elegant and educational evening outside at Leslie Science & Nature Center with live animal presentations and a seated dinner. 225 guests.

*PLAY: A Scientific Soirée, in March 2025 (date TBD)* is the party of the year at the Ann Arbor Hands-On Museum inviting guests to explore spectacles of science and hands-on experiences while enjoying strolling dinner and drinks. 300+ guests.
